Dear <<Prospective Donor>>,

The history of Ypsilanti is rich and inspiring. As the city's Bicentennial approaches, we want the celebrations to showcase the culture and community that has arisen over the last 200 years.

Throughout 2023 there will be musical performances, historic-driven happenings, and family-friendly entertainment that reflect on the past and celebrate where we're going. We'll even open the time capsule from the Ypsilanti Sesquicentennial in 1973!

To make sure the full year of festivities captures our community's imagination, the Bicentennial City Commission hopes to raise \$XXXX to match the city's \$XXX investment in the project.

We believe our community deserves to feel connected during this Bicentennial. These funds will help bring talented artists, delicious food, and meaningful engagement that represents the vibrancy of Ypsilanti.

With your support, we will achieve community connection by inviting talented Ypsilanti area artists, serving delicious local food, and by providing meaningful engagement that represents the vibrancy of our city. *****If we have any matching challenges/opportunities, we could include here.***** All of your donations will support the work of the Bicentennial Committee and allow us to realize the kind of celebrations that our city deserves.

***Add a para here about how they should donate, or who they should ask to be involved.

Sincerely,

The Bicentennial Committee
