

Exempting Properties

Exemption Application

1. All owners wishing to change the status of their parcel to exempt will need to complete the exemption application.
 - a. Exceptions to this rule are government entities such as the City of Ypsilanti and the State of Michigan.
 - b. Once received by the city, assessing staff will review the application for completion.
 - c. The exemption application is to be reviewed by the City Assessor for applicability to the requested exemption statute.
2. Once a determination is made by the City Assessor, the property owner/applicant shall be notified of the decision prior to the mailing of the annual assessment notice.
